

We extend our heartfelt gratitude to all the board members, volunteers, donors, and bidders who have made this year's online auction possible! We are especially thankful to the local businesses, fellow non-profits, and restaurants contributing year after year to our online auction. We encourage you to take note of our donors so that you can support these businesses in return for their generous support of our organization; don't forget to mention that you heard about them from the Hardy! Happy Bidding!
